

ResponseMaple™

A high-performing floor for primary and secondary school gyms, this surface has a hardwood look without the hardwood cost. ResponseMaple™ can be retrofitted over most existing surfaces, including VCT/VAT and concrete, and requires no adhesive or anchors.

THE UNDISPUTED CHAMP FOR GYM FLOORING

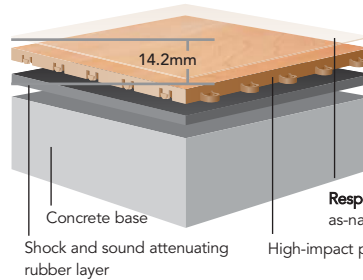

Since 1974 Sport Court has developed more than 50,000 projects worldwide with our network of over 220 independent dealers. We continually surpass the expectations of even the most demanding coaches, players, architects and builders. ResponseMaple™ is versatile enough to switch from volleyball to basketball to choir practice and is the perfect choice whether you're retrofitting an existing gym or building a new one.
