

First Team Olympian

- Optional bolt-on TuffGuard backboard padding
- Welded post cap seals out moisture
- Tubular Hi-Frame design provides the best backboard mounting possible
- All goals are direct mount to eliminate backboard breakage when players hang on the rim
- All steel components are powder coated to protect against the elements
- Anchor bolt system allows easy removal of unit
- Optional all-weather wrap around post padding
- Massive 6x8" square post gives added stability
- All pivot points have welded steel bushings for durability
- EZ-Crank® adjustment allows for adjustments of 10' to 6 1/2'
- Spring Assist® makes goal adjustments effortless
- Post to backboard extension is 48" at 10' - increases as rim is lowered
- Welded support gussets for maximum rigidity

The Olympian Adjustable Basketball Goal offers infinite height adjustment with unmatched durability and stability! First Team has designed the Olympian Basketball Hoop to outperform ANY basketball system on the planet! The Olympian's toughness and rigidity will amaze you and make your court the envy of the neighborhood! First Team offers you a choice of clear acrylic or tempered glass backboards on the Olympian Adjustable Basketball Hoop. Our Response tempered glass backboard offers the same look and authentic ball rebound enjoyed by college and professional players.

The Olympian Basketball Goal's oversized 6" x 8" x 1/4" thick wall post is a monster! Combine this with our LCG (Low Center of Gravity) pole structure design and welded dual strut extension arm and it makes for the most rigid structure available, hands down! The post is set back 4' from the backboard to maximize safety as well. The bolt down anchor footing allows you to easily relocate the unit if you move. Our EZ-Crank adjustment and trademarked "Double Spring-Assist" make rim height adjustments a snap! To adjust, simply turn the crank handle. Any age player will be able to quickly and easily change rim heights anywhere from 10' down to 6'6". A clear and accurate rim height indicator is included.

Olympian Arena - regulation 42"x72" tempered glass board, heavy duty breakaway rim, net
Olympian Supreme - regulation size 42"x72" clear acrylic board, heavy duty breakaway rim, net

Includes all mounting hardware and installation instructions.

LIFETIME SUPERIOR WARRANTY - covers everything basketball related including deliberate hanging on the rim by multiple players. Vandalism is not covered.
