

First Team PowerHouse 560

- First Team is proud to introduce the POWERHOUSE 5 basketball system! The PowerHouse 5 offers all of the great features you need at a price that will put you in the game!
- The PowerHouse series of basketball systems was designed with performance, aesthetic appeal and economy in mind. The unit is built with a one-piece 5" x 5" vertical post that incorporates our bolt-down anchor base for ease of assembly and relocation. The rim height is infinitely adjustable by simply turning the EZ Crank handle. Rim height adjustable from 7' to 10'. The rim height indicator shows the height of the rim. Our Y-shaped extension arms and steel perimeter framed tempered glass backboard combine with First Team's exclusive CLEARSPAN,™ backboard mounting making PowerHouse the most powerful and aesthetic units available in their price range!
- 36" backboard to post extension.
- For additional safety, pole padding and backboard padding can be added to any PowerHouse package.
- When your looking for a crank adjustable basketball system that looks as great as it performs, the clear choice is POWERHOUSE!
- PowerHouse 5 systems carry a Limited Lifetime Warranty.

Includes all mounting hardware and installation instructions.
