

First Team PowerHouse 6 Series - 660 (left) / 672 (right)

- First Team is proud to introduce the POWERHOUSE 6 basketball systems! The PowerHouse 6 line offers all of the great features you need at a price that will put you in the game!
- The PowerHouse series of basketball systems was designed with performance, aesthetic appeal and economy in mind. The unit is built with a one-piece 6" x 6" vertical post that incorporates our bolt-down anchor base for ease of assembly and relocation. The rim height is infinitely adjustable by simply turning the EZ Crank handle. The rim height indicator shows the height of the rim. Rim height adjustable from 7' to 10'. Our Y-shaped extension arms and steel perimeter framed tempered glass backboard combine with First Team's exclusive CLEARSPAN™ backboard mounting making PowerHouse the most powerful and aesthetic units available in their price range!
- 48" backboard to post extension.
- For additional safety, pole padding and backboard padding can be added to any PowerHouse package.
- When your looking for a crank adjustable basketball system that looks as great as it performs, the clear choice is POWERHOUSE!
- Each PowerHouse 6 basketball system is covered by a Limited Lifetime Warranty.

Includes all mounting hardware and installation instructions.

POWERHOUSE 660 - 6" post, height adjustable, 36" post to board extension, 42x60x3/8" tempered glass board, fixed, heavy duty breakaway goal, net

POWERHOUSE 672 - 6" post, height adjustable, 48" post to board extension, regulation size 42x72x3/8" tempered glass board, fixed, heavy duty breakaway goal, net

LIFETIME LIMITED WARRANTY - covers everything basketball related including dunking to flex the goal but NOT deliberate hanging on the rim. Vandalism is not covered.
