

First Team RuffNeck Flight

- Several backboard options
- Optional bolt-on all weather backboard padding
- Backboard braces for superior backboard rigidity
- Post to backboard extension distance is 48"
- Post is weather resistant zinc-coated
- Heavy-duty 4.5" outside diameter schedule 40 post
- Post is buried 48" below playing surface
- Goals are direct mount to eliminate backboard stress

The RuffNeck offers exceptional durability at a price that meets any budget. The RuffNeck is a "Fixed Height" pole system constructed of 4 1/2" outside diameter galvanized schedule 40 tubing and a 48" direct bury post. The direct rim mount design allows the rim to be mounted through the backboard and into the post, eliminating backboard stress. The backboard is further supported by two tubular braces fixed to the neck of the post. Our unique "nose-cone" backboard mounting design makes backboard installation simple.

RUFFNECK FLIGHT - 4.5" OD schedule 40 steel post, 48" post to board extension, 36x54" white fiberglass board, fixed unbreakable double rim goal, net

Includes all mounting hardware and installation instructions.
