

First Team Sport Select

- The Sport offers a professional look at an affordable price!
- The Sport's 4"x4" 11 ga. steel post is 50% heavier than any goal of its kind. Our one piece post design eliminates the potential for joint deterioration common with sectional type posts.
- 24" backboard to post extension.
- The extension arm on the Sport is attached to the vertical post using two heavy duty U-bolts. Though the Sport is considered a "Fixed Height" goal, the U-bolts can be loosened allowing the arm to be re-attached at any given height along the post.
- A variety of backboards and rims are offered with the Sport so you can choose the Sport package that's right for you.
- For additional safety, pole padding and backboard padding can be added to any Sport package.
- Every Sport package comes with a Lifetime Limited Warranty.
