

First Team Titan Supreme (right shown with optional gusset/post/board padding)

- Optional bolt-on TuffGuard backboard padding
- Welded post cap seals out moisture
- Tubular Hi-Frame design provides the best backboard mounting possible
- All goals are direct mount to eliminate backboard breakage when players hang on the rim
- All steel components are powder coated to protect against the elements
- Anchor bolt system allows easy removal of unit
- Optional all-weather wrap around post padding
- Massive 6" square post gives added stability
- All pivot points have welded steel bushings for durability
- EZ-Crank® adjustment allows for adjustments of 10' to 6 1/2'
- Spring Assist® makes goal adjustments effortless
- Post to backboard extension is 48" at 10' - increases as rim is lowered
- Welded support gussets for maximum rigidity

The Titan offers infinite adjustability, maximum rigidity, maximum durability and performs like it came straight out of the arena! The Titan's massive 6" square, 3/16" thick vertical post and extra heavy-duty dual-strut extension arm provide the toughest, most rigid standard in the industry. The post is set back 4 feet from the backboard to maximize safety. The bolt down anchor footing allows you to easily remove the unit for storage. The EZ-Crank™ adjustment means players of any age, size or ability can change the rim height. To adjust, simply turn the crank handle. The Titan is infinitely adjustable from 10' to 6 1/2'. The rim height indicator shows the height of the rim. The Double Spring-Assist™ makes raising and lowering the goal easier even with our regulation size 42"x72" backboards. For additional safety, pole padding and backboard padding can be added to any Titan package.

Includes all mounting hardware and installation instructions.
